“ Lynn, i am saddened by Toms passing but I am so grateful to have know such a wonderful man who became one of my dearest friends. I never imagined that on the day I met Tom at Tri County in Clinton that our friendship would become so dear to me. Tom took me on as one of his many apprentices over the years. He was so patient as we worked together that first year. I think we did about 115 supers that summer and fall and man it was hot too. I would joke with him and tell him that the best part wasn't meeting him or the bees, but it was Lynn's gourmet lunches. Lynn, the fellowship we would have around your table made the work all worth it. Tom and Anna as a friend of your Dads i want you to know that what i observed at that table was that your parents had a very special marriage, they truly loved each other. They would compliment each other as they told me many many stories of their lives together. May God comfort all of you during this very trying time, you will be remembered in my prayers.

“ Tom was not only my mentor but a great friend over the past few years. Was always full of advise and a few jokes tossed in along the way. I will always remember or chats and all the advise you have given me. One day I hope to be as good a bee keeper as you were. Rest In Peace my dear friend. And to Lynn and their family you are in my thoughts and Prayers as you go thru this hard time. Most don't know this but I would always start out my phone conversation with Tom with Good morning Mr Sunshine and this will be how I will always remember him.

“ To the Heath family, we are so sorry for your loss. Even though my husband and I have only been your neighbors for a few years, we enjoyed getting to know Tom and loved his gentle soul. I still remember the day I stopped by and Tom was able to show me how the honey is made. He seemed so proud and happy to show it off. Your family will be in our thoughts and daily prayers during this time.
