“ To David and Jamie, I am sorry then on Friday November 8th that I had heard that Aunt Dell had passed away. I can remember I was 9 years old on the day that she got married a 2-day wedding how much fun we had never seen much of her only during the holidays growing up but one thing I can say up until the last few years she always remembered my birthday with a card or once in a while she would send me a few dollars and it wasn't the money it was that she always remembered me and I will always remember that and love that you had a special mom there now she's in heaven with my mom who they celebrate their birthday with a month apart I hope they're together in heaven and watching over us. Sad but I had to see this on the internet because no one called me to let me know. Jan Ackerman Ocala Florida. In closing when I go to church I will light a candle in her honor.
