“ Gary was my neighbor for years and was a kind caring person. I will miss arguing with him over leaves in the fall. The virus has me scared of attending the funeral as I am scheduled for surgery soon. Sending prayers to the family. Lynn Eisenhauer

“ Gary was my nephew. I live in another state and even when I lived in Michigan all of us we didn't see each other much but I will tell you this from the bottom of my heart. I never for 1 minute ever not love any of my nephews and of course my niece. Recently Gary and I were talking on messenger and he was actually planning on a trip to come to Las Vegas to visit me. He would have been here earlier but because of the virus he told me he would wait till October or November. Well Gary I know you won't be coming to see me but I promise you I will come and see you when it's my turn and tell your brother Johnny I look forward to seeing him as well. Rest in peace my friend and nephew I love you very much.
