“ Never under estimate Pat. She had so many facets. Reading, poetry, hard worker, mother, grandmother, and a Pepsi loyalist. We shared the love of cars and boardwalk cuisine. She was like our cool aunt that would do stuff with us when she came to the jersey shore. We always looked forward to her visits. She will be missed. Stephen Godzak

“ Pat will always be a remembered as a true “ Jersey Girl” with salt in her hair and sand between her toes; tough on the outside; but had a kind heart, quick Witt, intelligence; along with a fearless sense of adventure. She was a special friend to our family for over 50 years. She will be greatly missed. Sending our sympathy to all. Susan Godzak

“ Pat was a very strong woman. She chose to jump the hurdles life tossed in her way, rather than getting stuck by them. She was like an onion, each layer that was peeled back showed more and more of her heart. She was kind and generous, incredibly classy, sassy, and very smart assy. She was my friend, I loved her, and will miss her much.
